# Heybrook Ridge

**Enhancing a Forest—Inspiring Minds**

**Standing between the North and South forks of the Skykomish River is Heybrook Ridge. This ridge serves as a staircase to the towering peaks of the Wild Sky Wilderness.**

**When it was announced that over 95 acres of timber were to be harvested from the ridge, the Friends of Heybrook Ridge came together to find a way to save it.**

**The land owners graciously agreed to put the logging on hold and give the Friends till June 8, 2008 to raise money to purchase the land.**

**The Friends hope to establish an educational and recreational wonderland to serve as a “living laboratory” of natural forest growth.**

**Purchase amount: \$1.3 million**

**Top 3 reasons to reach our goal:**

**1. We love hiking!**

Heybrook Ridge provides access to great hiking and magnificent mountain views.

**2. We love young people!**

Part of our mission is to inspire young people to carry on the conservation and preservation of forests.

**3. We love our native fish!**

The trees on Heybrook Ridge provide flood protection crucial to native salmon and steel head spawning grounds.

Friends of Heybrook Ridge is a non-profit organization registered with the State of Washington and is in the process of applying for federal 501c3 status so that your donation will be tax-deductible as provided by law.
